

# Bagshot By-election: Thursday 13th December

# FOCUS

## It's neck and neck!

### By-election contest goes down to the wire

The by-election in Bagshot this Thursday looks set to be a photo finish between local community activists Gret Woodason and Ruth Hutchinson and the Tories.

Gret and Ruth are both very active in the local community and many people have said they will put their normal party preference to one side in order to support them.

Residents will be able to cast their votes between 7am and 10pm on Thursday 13th December.

Gret Woodason (left) and Ruth Hutchinson (right) want to see more youth facilities like those at School Lane field.

## 20 MPH ZONE NOW!

Gret Woodason and Ruth Hutchinson are calling on Conservative-run Surrey County Council to make Bagshot High Street a 20mph zone.

Our recent residents survey showed that many residents feel that our High Street is increasingly unsafe.

Gret Woodason said: *"We may have won the long campaign for a pedestrian crossing that is soon to be installed, but that should only be the start".*

Ruth Hutchinson agreed, *"We need proper speed enforcement from Guildford Road through to the end of the High Street. People shouldn't have to risk their lives every time they go to the shops!"*

***A record of action - a promise of more***
