Axe The Tax

Local Liberal Democrats continue their campaign to scrap the unfair Council tax and to replace it with the fairer local income tax. Hundreds of local people have now signed our petition. Locally, the Tories have been making excuses for why they have had to increase our Council Tax bills. They ignore the fact that Surrey Heath Lib Dems proposed a fully costed budget which would have led to an inflation hugging 2.2% rise in Council tax. Compare that with the Tory rise of 5.5%!

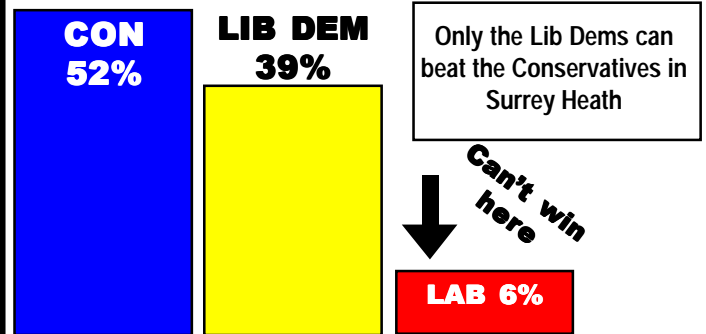

Above: Lib Dem Council Group Leader Cllr David Whitcroft (left) and Shadow Resources Portfolio Holder Cllr John Faulkner are joined by Parliamentary Spokesperson, Rosalyn Harper, in highlighting the difference in Council Tax approach!

Save our Post Offices

Local Lib Dems continue their campaign to protect our Post Offices. Lib Dem Surrey Heath Parliamentary Spokesperson Rosalyn Harper is pictured here with Norman Baker MP, delivering a postcard to Tony Blair to urge him to end unwanted closures of post offices in Surrey Heath.
