

Protecting our countryside

Councillors David Whitcroft, Duncan Clark and Parliamentary Spokesperson Rosalyn Harper inspect the fence on Mytchett Lake Road

Councillors David Whitcroft, Duncan Clark and Liberal Democrat Parliamentary Spokesperson Rosalyn Harper have examined the new fence that has suddenly appeared along Mytchett Lake Road.

This follows complaints made by local residents that the galvanised steel fence is totally out of keeping in such a countryside setting.

Councillor David Whitcroft told Focus: "Local residents have obvious concerns that this fence has been erected without planning permission. I have spoken with Planning Officers at Surrey Heath Borough Council who have contacted the landowner and have requested that an application is submitted. The application will then be judged on its merits. Local residents will have the formal opportunity to raise any concerns they may have at this time." If you would like to raise any issues with regard to this matter, please contact Cllr David Whitcroft by email on david.whitcroft@surreyheath.gov.uk

What do you call this?!

Cllrs Anji Patterson, Cathie Whitcroft, Duncan Clark, Alan Whittart and Parliamentary Spokesperson Rosalyn Harper check the new road design on Frimley Green Road

Many residents will be aware of the highway works recently carried out on the Frimley Green Road to serve the new housing being built. Following many complaints from local residents and drivers alike that the road is now too narrow, your local Councillors and Rosalyn Harper, the Lib Dem Parliamentary Spokesperson went to check it out in person.

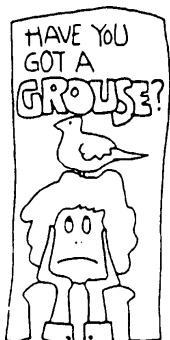

Cllr Cathie Whitcroft told Focus: "Concerns raised with me relate to the fact that the build-out is too narrow for buses and lorries, which are catching the curb as they drive through. I will be meeting the Highways Department to raise these concerns and request action is taken to resolve the obvious problem". **Watch this space for further news!**
