Applying to vote by post as from 16th February 2001

Following a change in the law, from the 16th February 2001, anyone who wants to vote by post can do so, without stating why.

Previously only people with specific reasons for doing so were eligible to vote by post.

From the 16th February 2001, to vote by post all you have to do is complete the new Application to Vote by Post form overleaf, in full and return it to the Council. You must sign your own form – someone else cannot do it for you.

When you send us your form, we will acknowledge your application once it has been processed.

During an election period, there are set dates by which applications to vote by post must be received. Because of these dates, you may not be able to vote by post if your application is received too late – **if this is the case, you will still be able to vote in person at your polling station.**

It is advisable that if you think you may need a postal vote, apply as soon as possible!
